**Provider Alert #47**

**Date:** November 4, 2008  
**Subject:** Coalition Resources

As you are aware, the Coalition's operating budget was reduced in FY2008-2009. As a result of the reduction the Coalition's office supply and professional services (Xerox) budgets have been reduced significantly. Consequently, the Coalition must reduce the number of photo copies made.

Effective immediately the Coalition will temporarily suspend provider's use of the photo copiers in the Citrus and Chiefland office. In addition, we will suspend special requests for the U.S. mailing of Board, Committee, and Council meeting agendas until further notice. Of course email notifications will continue.

We sincerely apologize for this inconvenience and will resume these services as soon as possible.
