Provider Alert #59

Date: February 23, 2009
Subject: Revised Service Delivery System

On March 4, 2009, the Coalition Board voted unanimously to revise the current service delivery system. As a result, the Coalition will not be renewing CDS' contract which will expire on June 2, 2009. All services after June 2, 2009 will be provided directly by the Coalition.

Although changes will occur in the implementation of the school readiness and voluntary pre-kindergarten eligibility and reimbursement procedures the changes have been designed to benefit parents and providers. We are excited to tell you about these changes.

We have scheduled a Provider Retreat for April 24, 2009 beginning at 9:00 AM and ending somewhere around 3:00 PM. The meeting will be held at the Inglis Community Center located at 135 West Hwy. 40 Inglis, FL 34442. During the meeting the Coalition will share **critical** information therefore attendance is crucial.

In an effort to prepare for the meeting properly we are requiring providers to register on the attached form. Due to the number of providers currently under contract with the Coalition only one representative per provider/contract may attend.
