## Provider Alert #66

**Date:** May 27, 2009  
**Subject:** Quality Initiative Disbursements

In an effort to ensure proper cash flow for provider reimbursements scheduled for disbursement on June 1, 2009 the Coalition will temporarily suspend disbursement of all quality initiative payments (including professional development and TIP disbursements). The Coalition will resume disbursement of quality initiative payments immediately following receipt of funds from the Agency for Workforce Innovation.

Please note that the disbursement of funds is NOT related to the approval of quality initiative awards. It simply refers to the Coalition's CASH on hand and when payment for approved quality initiative awards will be paid.

If you have any questions or concerns with regard to this Alert, please contact Desirae Rickman at [drickman@elc-naturecoast.org](mailto:drickman@elc-naturecoast.org).

Thank you.
