Provider Alert # 85

Date: July 7, 2010

Subject: Provider Payments / VPK Pre-Payments

During the Provider Retreat held on June 24, 2010, Coalition staff informed providers of the possibility of late reimbursement payments for June 2010's services to be paid in the month of July 2010. The reason for the late payment is due to the change in the fiscal year and the Coalition's return of advance funds for Fiscal Year 2009-2010 to the Agency for Workforce Innovation (AWI) before we can receive our advance funds for Fiscal Year 2010-2011. During this time period, the Coalition does not have sufficient cash on hand to pay providers on the 7th working day of the month (July 12, 2010). The Coalition is working closely with AWI to minimize the delay in provider payments.
