Provider Alert #94

Date: December 17, 2010
Subject: School Readiness Reimbursement Rate Corrections

This alert is a revision to information shared in Provider Alert #92. The rate charts have been revised, and are attached.

Please review the updated reimbursement rate charts for School Readiness payments, effective January 1, 2011. The Gold Seal Additives have been adjusted to the levels set by the Board in September 2010. There were several other categories of care that contained small errors, which have now been corrected.

If you have additional questions about the revised rate schedule, please contact me at sbosanko@elc-naturecoast.org or (352) 563-9939 x260.
