Provider Alert #98

Date: April 13, 2011
Subject: Provider Payments

This provider alert is being sent as a reminder to prepare providers as early as possible of the possible delay in payment during the month of July 2011 for June 2011's reimbursement.

Please understand that the delay of your funds will be strictly due to the beginning and ending of Fiscal Year 2010-2011 and 2011-2012 and the exchange of Program Advances. We want to thank you in advance for your patience during this transition period. The Coalition will be doing everything we can to assure that the turn around time for payments is as minimal as possible.

Please note, on page six of all School Readiness Contracts the following is stated:

"The Provider understands that the June payment each year will likely occur between the 15th and 31st working day of the following month."

Again, this will occur every fiscal year in July. We understand that this may cause an inconvenience for providers; however, this situation is something that is beyond the Coalition's control. Because of this, we are providing this alert so providers have ample time to create a contingency plan, if necessary.

If you have any questions regarding the above items, please contact Desirae Rickman at 352/563-9939 x-252.

Thank you.
