

Announcement: Social Distancing Plan

To protect our clients, the Coalition is limiting the amount of person-to-person contact by temporarily closing our lobbies.

We remain committed to supporting our clients, our childcare providers, our partner agencies, and our local communities during this public health emergency and apologize for any inconvenience.

The most efficient way to make changes or check on the status of School Readiness and Voluntary Prekindergarten Program services is by using the Self-Service Portal at:

<https://familyservices.floridaearlylearning.com/Account/Login>

You will find information here about Florida's early learning programs. You can also apply for School Readiness (childcare assistance) and Voluntary Prekindergarten Education services online by clicking on the **Apply for** button.

The following options are additional resources to assist you during this lobby closure:

Returning Documents: If you need to submit document(s), you may drop off the document(s) by using the drop slot located in the front door at each of our offices. This drop box will be checked each day Monday – Friday. Documents dropped off after 5 pm will be dated received the following day. You may also fax documents to 1-352-563-5933 or mail them to the following address:

CITRUS

382 N. Suncoast Blvd.
Crystal River, FL 34429
(352) 563-9939

DIXIE, GILCHRIST, LEVY

117 NE 1st St.
Chiefland, FL 32626
(352) 490-5855
